Help us brighten the holidays for homeless youth

You can make this a memorable holiday for our kids by getting involved in our gift drive.

Sponsor a holiday gift drive at your work, community center, or faith-based organization. Gather gifts from your friends and family.

Help us provide **gifts to more than 400 youth** staying in our emergency shelters and transitional living programs. Your generosity will have a direct and positive impact on the youth that we serve.

Shop for items listed below and bring new, unwrapped gifts to our site. Visit our wish list online and have them shipped directly to us: www.wishlistr.com/larkin-street-youth-services.

Thank You!
